West Midlands ADASS PSW Network – Plan on a page

Our vision:

A region where social work practice is based on a person's strengths and that this promotes independence and supports people in achieving better lives.

Our values:

- Providing practice leadership to Social Workers and social care staff
- Working together to achieve change
- Learning together to ensure continuous improvement
- Supporting and challenging one another as peers
- Promoting independence & social justice

Our priorities 3C's:

Leadership

- Strengthening the profile of social work
- Facilitating consistent approaches
- Addressing common challenges
- Buddying and mentoring PSWs

Development

- Personalised Services
- Co-Produced with Users and Carers
- Social Work Practice
- Reablement
- At home

Improvement

- Undertaking case file audits
- Reviewing assessment documents
- Undertaking 'Organisational Health Checks'
- Developing practice frameworks

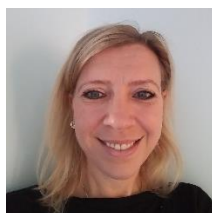

Driven by Sector led improvement

- Locally** Working with adult social care staff, managers and the Children's PSW
- Regionally** Linking with West Midlands ADASS and supporting 14 councils
- Nationally** Working closely with the Chief Social Worker for adults & National PSW Network
